Hans, I don't know if this is a venue where you would like to talk about reduced exposure or surveillance. One of the many subjects the society is interested in is smoking.

Candace

Subject: [SRNTLIST] 2003 SBM Call for Papers

Dear SRNT Members:

This message is being forwarded to you on behalf of the Society of Behavioral Medicine.

==========

Individuals are now invited to submit research for presentation at the 2003 SBM Annual Meeting & Scientific Sessions through the Call for Papers (http://www.sbmweb.org/annualmeeting/index.html). The theme of this year's meeting is "Bridging Boundaries in Behavioral Medicine: Transdisciplinary, Translational, Transcultural and Transnational." Submissions from transdiciplinary, transcultural, transnational and translational groups are strongly encouraged. All proposals must be submitted electronically no later than 12:00 midnight (CST) on Friday, September 13, 2002.

Please review the submission instructions available on the SBM website:

http://www.sbmweb.org/annualmeeting/index.html

Each of the following are presentation formats for the SBM Annual Meeting (full descriptions of these formats are available on the website).

Paper Only
Poster Only
Paper or Poster
Seminar
Symposia

When submitting research for this year's program, each corresponding author will be asked to select one of the following topics (your abstract will be reviewed under this topic grouping):

Addictive Behaviors
Arthritis/Pain/Psychoneuroimmunology/AIDS
Cancer
Cardiovascular Disease
Interactive Health Communication
Lifespan Issues
Obesity/Diabetes/Physical Activity
Population Health/Health Policy
Prevention
